

Jeremy & Mattie Benbrooks

Church Planting Missionary Pilot

TOGO, West Africa

Dear Pastor,

Did you know that 75% of the population in Africa is under the age of 25? Disease and poor nutrition has caused so many to die so young. That statistic is startling and reminds me how urgent the need for the Gospel is on the continent of Africa. The small under-developed West African country of Togo is no exception to this need. We have surrendered our lives to reach the people of Togo.

God has called Mattie and I to use aviation to reach remote villages, evangelize the lost, plant indigenous churches, and train national pastors. We are excited about the call of God for our lives, and we are eager to return to the people of Togo.

Our desire on deputation is to impact churches with a burden not only for Togo but for global missions. We would be honored to present this ministry to your church.

Attached you will find more information about our ministry to Togo as well as a letter of recommendation from my pastor. Thank you so much for taking a few minutes to read through it.

If you have any questions, please do not hesitate to contact me using any of the means listed below.

Thank you again for your time and consideration!

By His Grace,

A handwritten signature in black ink, appearing to read 'J Benbrooks'.
